Free COVID-19 Resources

CORE is providing free COVID-19 vaccinations, testing, and additional resources to all eligible individuals in Los Angeles County with our partners.

All are welcome. We're

here for you!

Vaccinations

CORE's pop-up vaccination events are posted on our events calendar below.

Click the button to find a location near you to get vaccinated today.

GET VACCINATED

Testing

CORE operates testing sites across LA County with our partners at [Fulgent Genetics](#) and [Flow Health](#).

Our sites are open to anyone, and no payment, insurance, identification, or symptoms are required to get tested. We use a self-administered shallow nasal swab PCR tests, and results are available by text message, email, and phone 2-3 days after testing.
