TOURNAMENT ROSTERS

Team Rosters

July 12, 2007

Greeting Basketball Fans:

It is my pleasure on behalf of NIKE to welcome you to the 2007 NIKE Peach Jam.

The Peach Jam has earned a reputation for providing a unique ultra competitive environment for the very best high school players in the nation. A great many players who participated in the Peach Jam in previous years went on to have sterling college or NBA careers.

We have assembled an array of talented young basketball players who are poised to rival or surpass the exploits of their predecessors. The teams are to be congratulated for earning the right to participate.

We would like to express our sincere gratitude and appreciation for the involvement of the Riverview Park Activities Center, 100 Black Men of Augusta and First Baptist Church of North Augusta. Their timeless efforts and enthusiasm ensure that the Peach Jam maintains the highest standard attainable in the world of travel team tournaments.

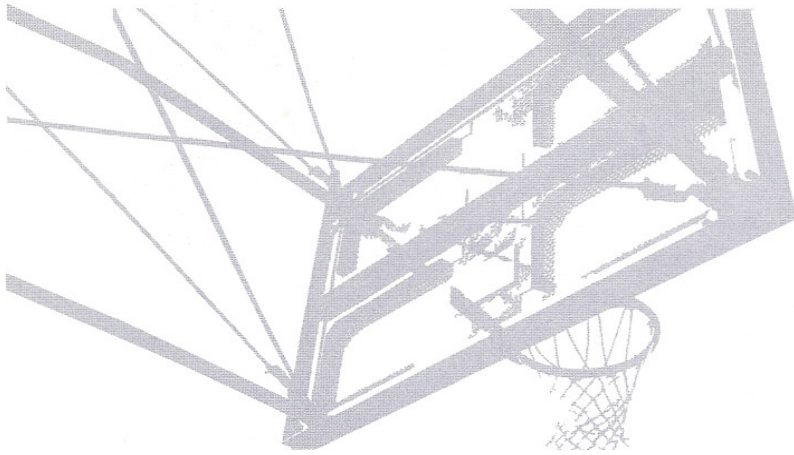

We are also forever grateful to the fans and volunteers of the communities of Augusta, GA and North Augusta, SC, as well as the college coaches community, as they have all embraced and supported the Peach Jam since it's inception.

We strive to make the 2007 Peach Jam a memorable experience for all. Thanks for your support and enjoy the tournament.

All the Best,

**Donald R. Crenshaw
Nike Basketball**

July 12, 2007

Greetings to All!

I am grateful to take this opportunity to thank all of the hoop fans in North Augusta, South Carolina and Augusta, Georgia, the media, each college coach and scouting services, the participants and the analysts in attendance – all who I'm sure will help to make this year's tournament yet another success and who have already helped to make it a summer "must see".

The NIKE Peach Jam is certainly the number one summer grassroots tournament because of the support and dedication that each of you have demonstrated in the past. In addition to bringing the nation top HS Basketball talent before each of you during these four days of exciting action, it's my pleasure to offer you this coaches package. Your top priorities as a recruiter are understood, and through the "user friendly" recruiters handbook, you will find that we have made observing the talent presented at NIKE Peach Jam a cinch!

We have worked hard to make this year's event even better than the last, and I continue to encourage your comments and suggestions. I hope that each of you will enjoy the fabulous hospitality the First Baptist of North Augusta church offers, and that your stay during the tournament is most enjoyable and memorable.

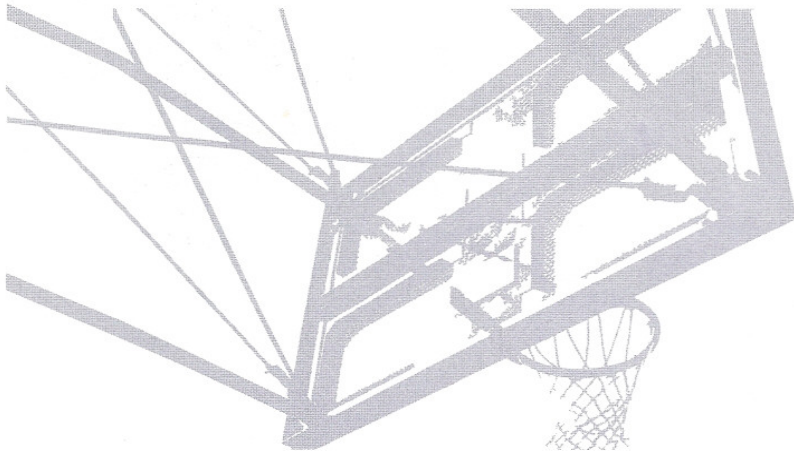

Yours in Hoops,

**Van Johnson, Jr.
Tournament Director
"NIKE Peach Jam"**

P.S.

I would like to offer a special thank you to the volunteers of the 100 Black Men, the First Baptist Church of North Augusta and Riverview Park Activities Center staff, whose countless hours of work, helps to make it all possible!

- PHILOSOPHY -

NIKE is committed to expanding opportunities for youth to participate in safe, recreational activities while encouraging and enabling them to develop skills that will benefit all areas of their lives including:

- ✔ Positively affecting more than 50,000 kids every year through camp, clinics and tournaments that reach out to players of all levels, from beginning to elite. And that doesn't even include the hundreds of programs run by NIKE coaches across the country in their own communities or the events that NIKE sponsors on an international level.
- ✔ A five-year, \$5 million donation to the *Boys and Girls Clubs of America*. This donation is intended to increase the range of programming offered by clubs across the nation, while increasing the number of youth, especially girls, served by the BGCA.
- ✔ Teaching skills to college students who then become coaches and mentors for kids through community-based sports leagues.

In total, NIKE's support of youth sports helps to alleviate the financial burden of schools, leagues and recreation centers to fund finding for these crucial programs.

- HIGH SCHOOL BASKETBALL -

In-season and summer teams

NIKE provides equipment and, in some cases, funding for high school and summer basketball teams across the country. Our objective is to provide quality product and equipment for high school players and coaches and, if necessary, to alleviate some of the financial burden facing high schools and traveling teams. If a school can save money on shoes, socks, uniforms, bags, equipment, travel and administration expenses for the team, it can invest that money in other sports or academic programs.

Growing the Game. Serving the Athlete

Since 1973, NIKE has been dedicated to the growth and development of the global game of basketball. NIKE's first basketball shoes, the *Bruin* and the *Blazer*, were created to provide players with top quality footwear. Today, NIKE continues to make the footwear and apparel of choice among basketball players while helping to grow the game around the world.

Like many of the company's sport categories, NIKE Basketball has followed a simple yet effective credo:

***Support and promote the sport at all levels while
creating superior performance footwear and apparel for athletes***

NIKE is committed to increasing and enhancing participation in all facets of basketball - underprivileged communities to high schools, colleges, the NBA and the WNBA. A significant percentage of the top NBA players and teams, as well as WNBA players and NCAA teams, wear NIKE performance products. The numbers of players and fans who benefit from efforts to increase opportunities to watch and to play the game, however, is infinite.

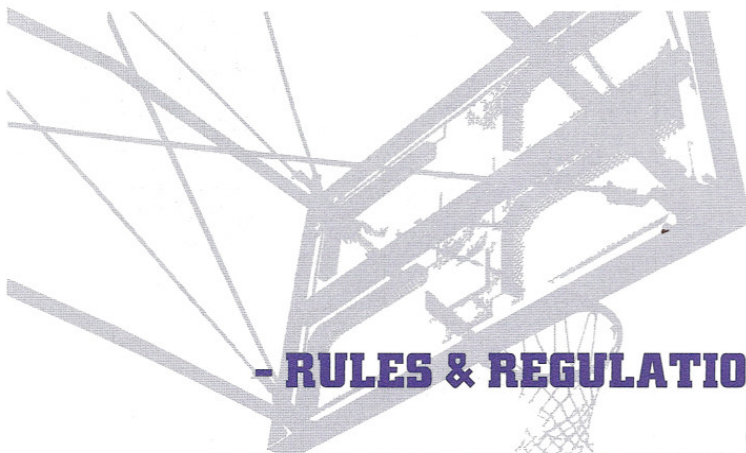

- OUR MISSION -

"Providing opportunities for youth to fulfill their dreams - academically, socially, and athletically."

"We want these kids to be prepared for other avenues of life so that they are leaders, not just basketball players."

- Lynn Merrit, NIKE Senior Director of Basketball Development
