

WHO WE ARE OUR BUSINESS

Established in 1999, Haugland Group LLC is an infrastructure services holding company with subsidiaries and affiliates that provide a wide range of energy and civil infrastructure services. Our team brings decades of experience in the fields of engineering, design/build, project management, project finance and development. An extensive bonding capacity allows Haugland Group companies to manage projects of any size.

We have extensive expertise in effectively managing a unionized labor force. Collectively, Haugland Group companies provide a broad range of construction services that appeal to a wide range of clients in both the commercial and government sectors. Individually, Haugland Group companies have unique strengths and provide sets of services that are capable of operating throughout vast geographical areas. Haugland Group prides itself on a reputation of providing top quality services that come in on time and on budget, and are executed within the industry's most rigorous safety standards. We develop quality-driven, multi-disciplinary teams that are capable of delivering the best solutions for unique challenges. Our approach with each client is to develop the correct project team, with an array of diversified talent, experience and knowledge. This ensures the best resources and organization are provided to achieve project goals. These sustainable construction practices allow the Haugland Group to build connections and communities that respect environmental and safety regulations without sacrificing efficiency.

We are well-capitalized, with an extensive bonding capacity. Our financial strength allows us the flexibility to co-invest in projects, providing a unique alignment of interests, greater security to project sponsors, and a strongly enhanced financing profile. The complementary portfolio of services offered by our affiliated companies provides us a unique comparative advantage in executing complex, multifaceted projects.
