# Renaissance for Group Members

Managing and accessing your benefits should be easy. Our customer-focused approach gives you everything you need to have the quality, easy-to-manage ancillary coverage you and your employees deserve.

## Manage Your Benefits

Need to schedule a teeth cleaning or locate a doctor for an eye-exam? Whatever you need to maximize your coverage, it's all right here.

### Dental Coverage

MyRenBenefits provides employees with easy access to their benefits information so that they can view claims, print ID cards, and much more.

### Vision Coverage

Employees have 24/7 access to their vision coverage information. Through our partnership with VSP, employees can review their coverage information, search for a VSP provider, and much more by visiting the VSP website.

[Visit VSP](#)

### Life Coverage

Employees can have peace-of-mind knowing they have coverage should the unexpected happen, as well as additional life assistance benefits

[Learn More](#)

### Disability Coverage

Employees will have financial support should they suddenly be unable to work
