WELCOME

UNITE MEDICAL, LLC

The Company

Unite Medical is a FDA registered, veteran owned small business located in Atlanta, Georgia. As an importer / distributor of medical supplies relating to disposable medical equipment (DME) and personal protective equipment (PPE), Unite Medical is a well established and trusted supply chain partner.

What Drives Us

In short - reliability! Unite Medical strives to provide quality products and reliable services while simultaneously offering our customers some of the markets most competitive pricing.

The Owner

Damon Reed is the CEO of Unite Medical. He has over 10 years experience in the healthcare industry in various capacities. Mr. Reed is also the CEO of a durable medical equipment (DME) company that offers patients healthcare related items intended for use within the home. Mr. Reed had previously owned and operated a DME manufacturing company, where he was responsible for the importation, credentialing, logistics and sales of millions of various medical products within the orthopedic market. Prior to that, Mr. Reed had owned a wholesale pharmacy business, which focused on the acquisition and distribution of single NDC products for independent pharmacies. Within the last year alone, Mr. Reed has led Unite Medical and its distribution team to supply over two hundred and fifty million pieces of medical supply products to customers.

BEFORE USING THIS DEVICE
ANY UNUS

INDICATIONS:

The Ankle Foot Orthosis provides ambulation.

PREPARATION:

Unfasten top closure cuff and so

APPLICATION:

- 1) While seated, place the injured foot in the brace, similar to putting on a shoe, Position so that the heel is against the back of the soft liner. (Fig. A)
- 2) Fasten the Velcro closure on the soft liner. Position so that the rigid plastic stays on the brace are centered over each side of the ankle. (Fig. B)
- 3) Fasten the cuff closure straps over the soft liner so that the brace fits snug and little movement is experienced. (Fig. C)
