A tribute to traditions past and present. The Chieftain watch strap is a modern representation of the classic rough and reliable heritage of military watch straps. Our Veteran designers blended key elements of straps throughout military history that will pair seamlessly with your timepiece for any journey that lie ahead.

SPECIFICATIONS:

- **Width:** 20mm or 22mm width
- **Length:** 290mm / 11.5" (not incl. buckle)
- **Thickness:** 1.4mm
- **Sizing:** Optimal sizing for wrists: 145mm - 225mm / 6" - 8.5"
- **Material:** Superior herringbone weaved nylon webbing
- **Hardware:** Premium black DLC steel buckle and keepers

FEATURES:

- Heavy-Duty superior hardware for increased durability.
- Herringbone weave nylon for a strong yet smooth luxurious feel.
- Single-pass layout for greater comfort and sleeker aesthetics.

- Sliding keeper allows easy and secure stowing of strap tail.
- Innovative design for a centered buckle on wrist.
- Signature square buckle holes, heat sealed.

CARE:

- We recommend hand washing in cold water. Hang or lay flat to dry. **DO NOT** put in the dryer.
- Minimal fraying is normal and can be resolved by applying a light flame.
