WHAT IT IS

Truffle is a members-only community for high income and high profile singles to meet and connect. Prior to joining Truffle, each member is independently verified to ensure they meet the minimum income requirement or the minimum social media influencer requirement. Once verified, Truffle is super easy to use. Slide right on a profile if you like what you see – slide left if you don't. Like a private concierge for your love life, Truffle lets you foster connections through meaningful interactions with like-minded people at your convenience.

HOW IT HELPS

It's no secret that being a high achiever can often make dating more difficult. You're busy working hard, playing harder, and building your empire, and you don't have time to be slowed down by someone who's not on the same wave as you. We get it. Truffle saves you from countless hours of fruitless dating by pre-screening all members to all but ensure that they're success-driven as well. Now we know income and social status aren't the only indicators of success, but it certainly shows initiative and legitimacy. So download the app, upload some photos, and get to sliding!

HOW IT WORKS

There are four ways to become a member and gain access to the Truffle Dating network: 1) have an annual income over \$175,000; 2) have over 150,000 social media followers; 3) have an annual income over \$100,000 and a recommendation from an already-verified Truffle member; or 4) successfully complete the Truffle questionnaire. If you choose Option 1 or 3, our partner, The Closing Docs, LLC, will independently verify your information as soon as it gets submitted. If you choose Option 2, with your permission, Truffle will simply view your social media profile to verify your follower count. There's no waiting period and no subjectivity in the approval process. So, you're guaranteed access to pre-screened singles who understand what it takes to rise above mediocrity and reach for the stars.
