Engage with employees around the causes they care about

Amplify your employees' impact and increase your employee engagement and retention. By showing your company cares about giving back, your flexible match program with Millie will create a culture of giving—regardless of company size.

Centralize and automate your match program

Instead of tracking employee donations across inboxes and spreadsheets, Millie's software centralizes and streamlines all of your employee giving and match activity. Approve donation matches with a single click and run your nonprofit approval process with ease.
