Shower Power: The HYDROjet Facial System™ Advantage

ADVANCED CLEANSING SYSTEM

Infuse and encase the skin's impurities with this fast-flowing high-pressure shower system featuring soft, pulsating water jets and a pulsating, vibrating shower spray. The unique design for rapid removal of dirt, oil and makeup.

- Eliminates clogged pores, hair buildup and dead skin cells
- Improves skin tone and circulation

PROFESSIONALLY DESIGNED WITH THE FOLLOWING FEATURES

- 2,700 gentle cleansing bristles creating 300x per second
- Hand held shower system with sonic cleansing brush and powerful adjustable spray
- Cordless, rechargeable and waterproof
- 4 interchangeable speeds
- Automatic even cleanse with built-in timer and memory
- Featuring non-slip rubber grips for ease of use in the shower
- Works with existing fixed-mount shower head
- Quickly and easily installs in minutes with included instructions. No plumber needed
- 8-foot shower hose attaches to brush for ease of use

HYDROjet™ Cleanses Faster and Better Than With Hands Alone

Residual makeup applied to both sides of the forehead

After 10 seconds of cleansing with HYDROjet™

After 10 seconds of cleansing with hands

Antimicrobial face brush head that stays cleaner and better for longer
