Amazing. Addictive. And definitely something to shout a-pout, it features the same ingenious lip-plumping technology as the original. With SUPERFILL™ Lip Plumping Spheres, which explode in volume when they meet the moisture on your lips. (They're like tiny, dehydrated sponges that expand when they get wet.) Plus LIPSWELL™ Natural Plant Oil Infusion – an incredible microcirculation-boosting extract that makes your lips feel instantly fuller.

Plus, with a new super-smooth formula, it glides on... so your lips feel soft and look ravishing. It's set to send you (and lips) a-buzzing!
