

INTEGRITY

In 1986, TA Services was founded on a handshake and a promise. Since then, our foundation has rested on our values and commitment to our word. We are a company based on principle. When we say we will do it, it will get done.

INTO THE FUTURE

Using the best technology available, we stay ahead of the rapid pace of today's freight market. Customer Service means everything to us and we navigate the everchanging needs of our customers to Make. Ship. Happen.
