ABOUT

FastPay helps agencies save time and make money by automating media payments. Their ePay solution generates revenue share from invoices paid through the platform, using proprietary technology to reduce time and errors while offering sophisticated reporting and transparency. FastPay easily integrates with your existing media buying and accounting software to help fully automate the last mile of media payments.

OUR PARTNERSHIP

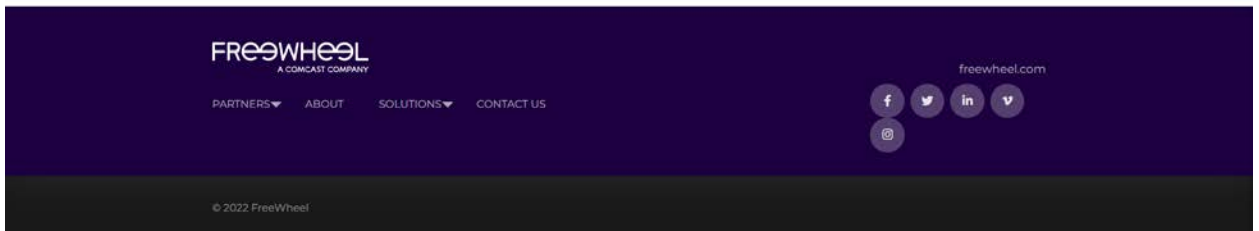

FreeWheel's partnership with FastPay enables more options for Strata platform users to streamline the media payment process, reducing time and errors, while generating revenue in the process.
