About Us Find a Doctor Patient Care Education Research and Innovation Your Visit NYEE Celebrates 200 Years Search

Today, NYEE remains at the forefront for innovative surgical specialty services. The institution serves as the clinical site for breakthrough translational research—introducing many novel diagnostic and surgical techniques—with a growing network of satellite practices across the New York metropolitan area. As NYEE looks forward to its third century of specialty care, the Infirmary remains committed to its founding mission of serving the community, as well as patients nationally and internationally.
