How rare is my Bear?

Each Color Bear is unique and programmatically generated from over 130 possible traits, including Den, headwear, attire, and more. All bears are rare some are rarer than others

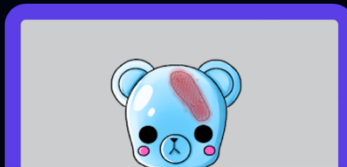

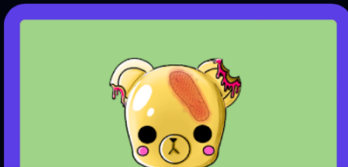

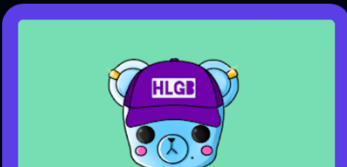

Roadmap / Milestones

Our Roadmap is driven to provide a long-term plan to Candyland!

- 10% Special CandyLand Lore for each of the 20 Bear Dens. CandyLand Map is created and revealed to community
- 20% We create plans for a physical treasure hunt in the U.S. with 20 special Color Bears spread across the locations of our community. We initiate Liquidity Pool
- 40% We show you what we're cooking up in the merch store and include a special, limited drop.
- 60% Unique Color Bear Trading Card NFTs airdropped to random bear holders.
- 80% Within every Bear Den Community, "Origin" Comic Strips and Story Lore will continue to be expanded on.
- 100% Work with developers to get exclusive NFT Color Bear characters into the Metaverse. Continue our community by adopting land in the Metaverse and build. Metaverse Land will be inherited and adopted by persevering community members who act as Papa/Mama Bears to their Dens.

Welcome to the Den

- A Color Bear Den is your family, tribe, or crew; Simply put, it's your community.
- There are a total of 20 Color Bear Dens each known by their name, color and symbol.
- Some are more rare than others.
- When you adopt a Color Bear, you also adopt 1 of 20 Bear Dens.

What are Candyland Color Bears?

CandyLand Color Bears are 9,600 Algorithmically Generated Color Bear NFTs, each with unique traits and perks. Adopting and owning a Color Bear grants you membership to CandyLand and access to your Den

How tribalistic are these dens?
