TRUSTED BY

• WHY NFTs?

Join Waitlist

# NFTs give brands the ability to supercharge membership and loyalty

## The first membership that appreciates with spend

Customers can treat their membership or loyalty status as an investment- the more they interact with your brand, the more perks and benefits they accrue, the more valuable their NFT becomes.

joinhang.com

# Membership status that travels with the customers wherever they go

NFT interoperability unlocks the ability to provide perks, rewards, and experiences throughout the physical and digital world.

Join Waitlist

# Identity that builds community like brands have never seen before

Each NFT has an inherent identity and status, amplifying social incentives within the community.
