iVOX is a children's book app which uses the latest in storytelling technology to delight and engage curious young minds. Children ages 2-10 can follow along with a story while interacting with its characters and scenes—immersing them in the narrative like never before.

This is a free app, but to access these exciting new "books that move!" you must belong to a school or library that has subscribed to the service.

REVIEWS

Review policy and info

**Jaime Sanborn**  
★★★★★ March 23, 2021

This app does not appear to be available unless it is tied to a public library. However, the description does not state that. This would be an amazing resource for our elementary students. Whenever I try to open the app, it asks for my zip code, city, or country. After I enter the information, it gi...

★★★★★ April 6, 2021  
Very nice app

WHAT'S NEW

We've fixed some minor bugs, enhanced graphics capabilities and added support for new multi language books.
