The DSCO Trunk

- **Ample rolling workspace** - Full size rolling tray is designed to fit perfectly inside, and gives you plenty of surface area to work your magic. Thoughtfully placed grooves and openings support quick and easy clean up
- **Extra large compartments** - Comfortably store and organize all of your accessories, without wasting time rearranging to make everything fit. Also contains a convenient pocket lid for quick access to smaller items
- **Built for everyday use** - Quality craftsmanship, quadrant hinges and a trunk-style oversized latch lets you feel confident that the sturdy and functional design of this stash box is meant to be frequently used and enjoyed
- **Stylish and discreet** - Gorgeous natural bamboo exterior with smooth edge design allows you to confidently display your stash box while avoiding any unnecessary attention. Rolling tray storage also works as a cover for all of your accessories inside
- **Premium gift set** - Great for any occasion. Your loved ones will thank you when they receive this thoughtfully curated stash box combo set: Stash Box, Rolling Tray, UV Glass Jar, and Brush for easy cleaning
