

## WHAT WE DO

Applied Research Associates, Inc. (ARA) is an international research and engineering company globally recognized for applying technically-excellent, in-depth and diversified research, engineering, and technical support services to provide answers to complex and challenging problems in the physical sciences. We have a broad range of technical expertise in defense technologies, civil engineering, computer software and simulation, systems analysis, environmental technologies, and blast testing and measurement. We provide sophisticated technical products and solutions within a diverse range of business areas.

## INNOVATIVE SOLUTIONS TO COMPLEX PROBLEMS

### NATIONAL SECURITY

ARA delivers innovative solutions to assess, detect, deter, defeat, and respond to threats facing us at home and abroad.
