- Back-Up

**SELECT**

Navigator control panel with a list of menu items: Current Conditions, Target Conditions, Timers & Clocks, Stage Conditions, Historical Data, Alarm Status, and Program Setup. A red up arrow and a red down arrow are positioned to the right of the list, with a **SELECT** button below them. Below the list is the **Select SYSTEM VIEW** section with options: Main, Auxiliary, and Back-Up, followed by another **SELECT** button.
