DasherDirect is a prepaid debit and mobile banking app for US-based Dashers, powered by Payfare. It provides Dashers with no-fee payouts after every dash, access to convenient banking functionality, and cash-back on gas, dining, groceries, travel and more.

Here's how it works:
Instant no-fee deposits: Your earnings payouts are processed automatically—and without a fee after every dash, via the DasherDirect app and Visa prepaid card.

Access to banking: Core mobile banking functionality is available, alongside other financial benefits like bill payments, money transfers, deposits, ATM withdrawals, and more.

Cash-back rewards: DasherDirect unlocks cash back rewards on gas, dining, travel and everyday purchases.

The DasherDirect Business Prepaid Visa Card is issued by Stride Bank, N.A., member FDIC, pursuant to a license by Visa U.S.A. Inc. Subject to eligibility, use of the card is governed by the DasherDirect Cardholder Agreement and Payfare Program Terms. Payouts from deliveries initiated after each dash; funds are typically available within an hour pending any delays. Reward categories and amounts subject to change without notice. No-fee transfers and no-fee and low-fee ATM withdrawals available.
