

### Getting Started

PrizePicks Basics

- 1 Choose 2 or more players from the board.
- 2 Pick OVER or UNDER their projected fantasy score or single stat.
- 3 Choose Flex Play or **Power Play**.

HOW ARE FANTASY POINTS CALCULATED?

With Flex Play, you can miss one and still win!  
HINT: Flex Play is the safer option.

With Power Play, you must get all your picks correct to win.
