**About this item**

- DEVELOPED BY WOUND CARE NURSES, our hospital grade healing ointment blends petrolatum with natural healing ingredients to immediately soothe and hydrate dry, cracked, and irritated skin from head to heels.
- SERIOUS SKIN CARE FROM HEAD TO TOE: use as body or face cream for dry, itchy skin, foot cream for dry cracked feet, preventive wound care for bed sores, minor cuts, or burns, and diaper rash cream for adults.
- TREAT SENSITIVE SPOTS when managing fragile skin affected by aging, disability, and disease. Ideal spot treatment for scleroderma, eczema, psoriasis, incontinence, heat rash, chaffing, pressure sores, and bed sores.
- UNIQUE BLEND OF NATURAL INGREDIENTS including calendula, coconut oil, aloe vera, and soybean oil to help nourish and protect irritated, sensitive skin
