

x LP Commit

by Simpson Thacher

Introducing *LP Commit*, Simpson Thacher's proprietary e-subscription platform, designed to improve investor experience, save time, and enhance accuracy.

Digitization Process:

- Convert subscription documents to dynamic online questionnaires for investors to complete within platform
- Platform uses conditional logic so only relevant questions display to each user
- Process takes approximately 2 weeks, followed by testing

Investor View:

- Customized process allows investors to complete sections out-of-order (jump around the form as needed)
- Table of Contents tracks progress and allows investor to navigate to different sections
- Investor may comment or ask questions to Simpson Thacher lawyers, all within platform
- Signature and document uploads may happen at any time in the process
