BRANDS USING SMART CART

Have used this app on multiple stores, the ease of use and helpfulness of the staff is impeccable. Amazing features like pre and post offer checkouts, smart cart, product recommendations and bundle features. Lots of creative ways to utilize this app and can be integrated/customized to any theme.

The Used Shop

Rebuy has been a great tool for our site to help increase AOV. We implemented the Smart Cart which has been great in easing the customer experience and also in cross-merchandising product. The support team is amazing. They're quick to respond to any questions and truly care about optimizing your site experience.
