

The **Listen Boldly app** is the easiest way to follow the Seattle Symphony. Now you have access to Seattle Symphony performances and events at Benaroya Hall anytime, anywhere. Easily purchase concert tickets and explore upcoming performances — all while on the go. If you have a previous version of the Seattle Symphony app, please delete it and download the new app using the links below.

## Download the App

Don't have an iPhone or Android phone? Access the mobile web version of the app on any device!

## Features

### Concert Calendars

- Buy tickets, view concert info, including programs and performers.

### My Account

- Retrieve your tickets right on your phone and email tickets to your friends!
- View and update your account information.
- Review your order history.

### At the Show

- Get detailed information about the performance, post comments about the performance and learn about special offers.
