This Gen Mobile Activation Kit includes a SIM card to activate your data device on our GSM network. This triple punch card includes the standard, micro and nano SIM sizes to fit your data device and is for use with unlocked, compatible GSM devices.

Once you receive your SIM card in the mail, call or chat with a Gen Mobile customer care rep to activate your data device within minutes. Our Gen Mobile Customer Care reps are available at (833) 528-1380 or you can [click here](#) to chat with them 7:00 a.m. to 5:30 p.m. PST, 7 days a week.

Note: Your data device MUST be unlocked prior to activating Gen Mobile service. The best way to find out whether your data device is unlocked is to check with your current carrier. If you are making payments on your data device, you must pay off your balance before bringing your data device to Gen Mobile. For helpful tips on unlocking your data device, visit [genmobile.com/pages/unlock](https://genmobile.com/pages/unlock).

I decided to switch my mom to Gen Mobile because she kept forgetting how to dial internationally with her LINE app. She's older and not tech saavy. She use to pay \$80 with AT&T and now she only pays \$15 a month. She loves how much money she is saving and that she can call her friends and family in Taiwan, Japan, Peru and Canada as much as she wants. Thank you Gen Mobile for making my mom's life easier!

**Reply from Gen Mobile:** Hi Tina, thanks for your review! Glad to hear Gen Mobile made your mom's life easier and she can keep in touch with all her friends across the globe at affordable prices!
