

SERVICES

Services that make staying healthy a little easier.

Each of our locally-owned and operated Health Mart pharmacies offer their own unique services to help you live better. Contact your local Health Mart pharmacy to find out which services are available in your area.

We'll save you time and money.

FAST PRESCRIPTION SERVICES

We fill prescriptions fast so you can get to the other important things on your list.

HOME DELIVERY

There may be times when you just can't make it into Health Mart — so let us come to you. We deliver to your home or business. Check with your [local Health Mart](#) for home delivery availability.

MONTHLY PRESCRIPTION PICKUP

As much as we enjoy seeing you, we can coordinate all of your prescriptions into one monthly pick-up or home delivery on a date that works for you.

PRESCRIPTION REFILLS AND REMINDERS

Refilling your prescriptions online or with our mobile app for a fast, convenient and easy way to make sure you never run out of important medications. We can even send you notifications when it's time to re-order.

PRIOR AUTHORIZATIONS

We'll work with your insurance to ensure you are getting the medications you need.

PRESCRIPTION SAVINGS

We'll help you understand your coverage and save money through recommendations for optimizing Medicare Part D plans, generic medication options, co-pay assistance from pharmaceutical companies and formulary alignment.

QUALITY HEALTH MART AND SUNMARK PRODUCTS

We provide healthcare products at everyday low prices – Health Mart and Sunmark brand over-the-counter medications and healthcare products offer the best value around.

We provide the best in clinical care.

MEDICATION THERAPY AND CONSULTATIONS

It's not just about taking your meds. It's about taking them effectively. Our Health Mart pharmacists can help you get more out of your medications with free medication reviews.

VACCINES

Health Mart can ensure your immunizations are up-to-date. We offer a wide range of safe, convenient and affordable vaccines including Flu, Pneumococcal, Shingles, Whooping Cough and more. Check with your [local Health Mart](#) for vaccine availability. [See recommended vaccines](#) .

DIABETES MANAGEMENT

Health Mart is your diabetes management destination offering many helpful products including test strips, glucose monitors, lancets, vitamins, medications, foot care and more. Plus, the knowledge you need to manage your condition. [See the latest information on Diabetes Health](#).

COMPOUNDING & FLAVORING

Custom compounding and flavoring — offered at various Health Mart pharmacies — changes the strength, dosage, taste and form of your medications making them easier to take.

HEALTH CLASSES

Many Health Mart pharmacies offer health and wellness classes that cover a wide range of topics, including nutrition, exercise and fitness, diabetes management, smoking cessation, senior health and more. Check with your [local Health Mart](#) for schedule, times and availability.
