Partners in your success

Drawing on decades of experience working closely with buyers, manufacturers, distributors and retailers, we pride ourselves on providing our retail partners with well-designed, well-made socks, hosiery, underwear and other knitted products for men, women and children. Every step of the way, we offer an unparalleled level of service and support to our partners.

Building a better world, one product at a time

Our dedication to environmental and sustainability issues is a shared passion for major retailers and private label brands. Our approach to business is constantly challenging our manufacturing resource base to find new and greener ways of creating products that meet the expectations of environmentally conscious consumers. Being this in mind, our best set includes an organic cotton line to meet the needs of our customers.
