A small business owner's dream

by Matthew O., Trustpilot Review

As a small business owner there can be so many hurdles. But Novo has really helped to alleviate many concerns and worries I had. The experience has been seamless and I'm looking forward to being a client for a long time.

Love Novo!!!

by Jennifer B., Trustpilot Review

Novo has an easy to use app. You can do everything from your phone. It is easy to transfer funds in and out of the account. The app integrates with Quickbooks and many other business

account for taxes, travel expenses, or anything else you need to save for. I highly recommend Novo!!!

Easy to use approach

by Lavencion, App Store Review

My experience has been very positive so far. Transactions have been easy and the performance of the software has been spot on! Thank you for the great customer service.
