Easy to install

Reviewed in the United States on May 17, 2022

Size: 32.8ft **Verified Purchase**

Easy to install! love love!!! Bought for my 14-year-old brother to decorate his room. It was EXACTLY the perfect length for my brother's room and he LOVES it. As the teen did, he immediately download the app that went with the device, the remote is small, lightweight and easy to use, and he could change the color and brightness of the lights from his phone! Overall, definitely a great set of lights that teens will love!
