

GREENOAKS

We believe a small handful of  
companies define each generation.

Our sole mission is to partner with these intensely focused teams for decades.

The companies shown on this page do not represent all investments made in funds managed by Greenoaks Capital Partners LLC and those made by a predecessor entity which Greenoaks Capital Partners LLC advises (collectively, "Greenoaks"). It should not be assumed that any or all of these investments were or will be profitable and past performance of funds managed by Greenoaks is not necessarily indicative of future results. A more detailed list of investments made by funds managed by Greenoaks is available [here](#). Greenoaks generally updates this list quarterly and thus makes no representation that recent investments or dispositions are included.

## GREENOAKS

# Our partners

The following is a list of investments made in funds managed by Greenoaks Capital Partners LLC and those made by a predecessor entity which Greenoaks Capital Partners LLC advises (collectively, "Greenoaks") with aggregate invested capital greater than \$15 million as of March 31, 2022. Excluded from this list are investments which the issuer has not provided permission for Greenoaks to disclose publicly, investments in publicly traded securities recently initiated, as well as unannounced investments. It should not be assumed that any or all of these investments were or will be profitable and past performance of funds managed by Greenoaks is not necessarily indicative of future results. There can be no assurance that any investment will achieve results comparable to those of any prior or existing investments of Greenoaks. Greenoaks generally updates this list quarterly and thus makes no representation that recent investments or dispositions are included.
