

VIP is also a jumping-off point to Sandhills' fleet analytics details, fleet management tools, and auction and retail equipment sales channels. More functions are on the way for VIP, but here's a look at what it can do for you right now.

NO WAITING

Open a North American Sandhills trade site or mobile app, and log in if necessary. Next, tap or click the floating VIP buton, VIP banner ad or VIP Portal option in the menu. You can also access the Portal directly at VIP.MachineryTrader.com, VIP.TruckPaper.com, VIP.TractorHouse.com, or VIP.MarketBook.ca

FILL IN THE BLANKS

In the VIP Get Equipment Values form, fill out three tabs marked Serial/VIN, General Info, and Specifications, If you enter a VIN or serial number, the VIP Portal may automatically pull in the year, make, model, and possibly other details about the machine. Click Next.

 $Enter as \ much information \ as \ you \ can. \ The \ more \ specifics \ you \ provide - such \ as \ options, \ attachments, \ and \ your \ and \ you \ and \ yo$ ZIP or postal code - the more accurate the valuations will be, Click "Run Evaluation" when you're ready.

HOW MUCH IS MY EQUIPMENT WORTH?

VIP will return FleetEvaluator-powered auction, market, and asking values for most types of equipment. The Portal acts as a faster way to access FleetEvaluator and other tools. Select Save Asset if you'd like to keep the valuation information for comparison and future reference. Click Recent Valuations to show a temporary list of

VIP offers registered users up to five free equipment valuations per day, but you can click Request More Evaluations at the upper right to arrange for more. If you are a current Sandhills Cloud user, a new Apps button in the upper right corner gives you quick access to all of your apps.

MY SAVED ASSETS

The My Saved Assets list includes a search function and total values for all items stored there. Click the Sell button on any asset to start the sales process using Sandhills' auction or retail marketplaces; VIP will notify your Sandhills rep and mention your preferred auctioneer; if you specify one,

FUTURECAST

VIP's Unlock FutureCast button lets you access your assets' predictive auction and retail market values over the $next\ 12\ months, or\ five\ years\ with\ Sandhills'\ approval,\ Like\ Fleet\ Evaluator,\ Future\ Cast\ is\ informed\ by\ Sandhills'$ long-term, historical sales and listing data from the agriculture, heavy machinery, and trucking industries. FutureCast forecasting displays auction values by default; select the Market button to switch the view to retail values, You can also click or tap a point on the timeline to see an estimated value for that upcoming month,
