

One  
Touch  
Away™

### Revolutionary rheometer performance at your fingertips

The new Discovery Hybrid Rheometer boasts a brand-new One-Touch-Away™ app-style touchscreen that greatly enhances usability by placing key instrument features at your fingertips.

- Ergonomic design for easy viewing and operation
- Packed with functionality to simplify operation and enhance user experience

### The app-style touchscreen includes:

- Start/stop experiments
- Set temperature
- Set gap
- Controlled rotation for sample loading
- Procedure and sample details
- Real-time signals
- Test and instrument status at a glance
- User prompts

The app-style touchscreen, powerful new TRIOS software, and quick robust calibration routines work seamlessly to dramatically improve laboratory workflows and productivity.
