The screenshot shows a web browser window displaying the product page for NoLIO Foaming Cleanser. The browser's address bar shows the URL <https://skintypesolutions.com/shop/skincare/nolio-f...>. The website header includes the brand name "Skin Type Solutions" and the logo. The main content area features a central image of the white tube of NoLIO Foaming Cleanser with the brand name and product type clearly visible. Below the image, the product title "NoLIO Foaming Cleanser" is displayed, followed by a "Write Review" button and a star rating of 5 stars based on 1 review. A descriptive paragraph states: "NoLIO Foaming Cleanser provides a superior lather to remove makeup, dirt, SPF, and excess oil. Its strong cleansing ability is paired with stearic acid, an important component for a strong skin barrier....". The quantity is set to 1, and the delivery option is "One Time Delivery". The price is prominently displayed as "\$23.00" in green. A purple "Add to Cart" button is located below the price. At the bottom, it notes the product is "Approved for the following Baumann Skin Types" and shows a "Rewards" section with a crown icon and a row of colored circles numbered 5 through 12. The bottom right corner of the browser window shows the time "10:10 AM" and the date "7/7/2022".

# ORPT

**ORPT skin is Oily, Resistant, Pigmented and Tight**

*Baumann Skin Type Number 9*

**ORPT has 1 barrier to skin health:**

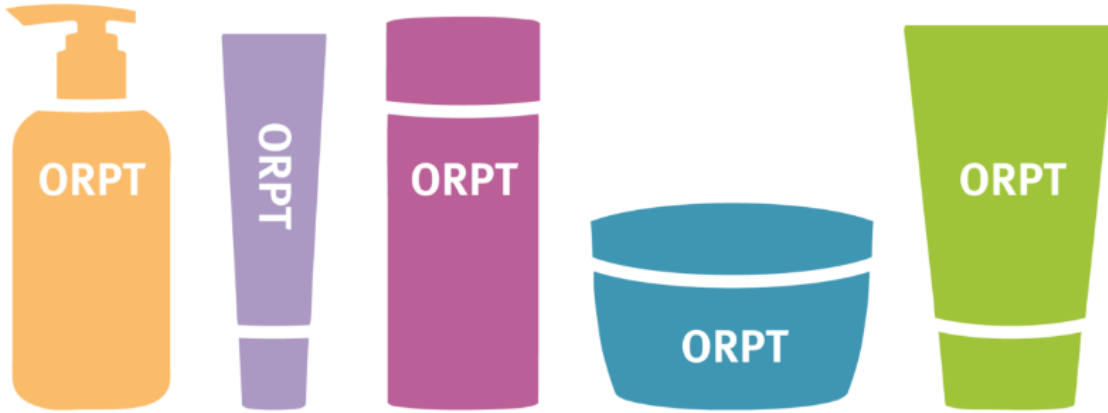

✦ Pigmentation

## **What Are ORPT's Barriers to Skin Health?**

✦ **Pigmentation** — ORPT skin type are more prone to pigmentation issues such as sun spots, melasma, and uneven skin tone

## Product Advice for ORPTs

- ✦ **Cleanser** — Foaming cleansers or those with salicylic acid
- ✦ **Treatment products** — Use anti-inflammatory ingredients. Use skin lightening ingredients, but take a one-month break from them every 3 to 4 months
- ✦ **Sunscreen** — SPF 15+

Use the proper products every day to change your ORPT skin type to the ideal skin type, ORNT.
