Hi Drew

I hope you are doing well.

Thanks for the time last week, we look forward to continuing the conversation as we double down to close this round and come out of stealth! I've included the entire executive team here in this email.

Attached you will find the materials we discussed - product one-pagers, our response to a recent RFI, and our investment positioning paper.

I hope you find these useful and we're curious about your thoughts on them :)

thank you
