Description

Basis All-Purpose Acrylic Floor Sealer combines metalized, acrylized emulsion polymer chemistry to treat resilient or non-resilient floors. **Warning:** do not use on unsealed wood floors.

Basis provides long-lasting levels of durability and permanency and since one gallon covers 1,500–2,000 square feet, you get great value for the money. Basis is a ready-to-use, water-based sealer that is non-yellowing. It applies fast, resists detergent and dries to a satin gloss.
