## Refer a startup, get \$2,500

---

Republic Core LLC ("Core") provides technology and support services to OpenDeal Inc. and its affiliates (collectively, the "Republic Ecosystem"). This page hosted by Core is a platform to various offerings hosted by companies in the Republic Ecosystem, the relationship of each is fully disclosed on the relevant deal pages and is only available to sophisticated accredited investors. This page and all of its branches are confidential unless noted otherwise and are subject to the Non-Disclosure and Non-Circumvention Agreement you enter in to prior to accessing it.

Core's services are subject to its [Terms of Service](#) and [Privacy Policy](#).

Investors should verify any issuer information they consider important before making an investment. Investments in private companies are particularly risky and may result in total loss of invested capital. Past performance of a security or a company does not guarantee future results or returns.

Only investors who understand the [risks of early stage investment](#) and who meet the Republic's [investment criteria](#) may invest.

Invest in startups using your credit card
