## About Première Vision

### Première Vision S.A. : A leading French company that has been organizing textile and fashion trade fairs since 1973

For 45 years, Première Vision, a subsidiary of the Association Première Vision and the GL Events Group, has been organising shows and events for professionals in the international fashion and textile industry.

By constantly adapting to the needs of international markets, the Première Vision shows remain true to the same high goals: to provide its visitors a selective, quality and creative offer and

### Première Vision's shows:

Twice a year (February and July), **Première Vision Paris** brings together all the players in raw materials and services for the production of apparel, bags, shoes and fantasy jewellery, to effectively assist fashion professionals develop their collections. **This hub of meetings and inspirations is both a unique place to do business and a trend laboratory.**

**Première Vision New York** – (January, April and July) – An opportunity for North American professionals to meet exhibitors, selected from among the world's top weavers, leather producers, accessories companies, designs studios and manufacturers.

1 new show launched in 2020, **Première Vision Shenzhen**, a side-by-side show located in the heart of one of the leading textile and fashion shows in Asia, Fashion Source, which takes place twice a year in Shenzhen.

1 show launched in 2019, **Première Vision Sport**, specialized in sport and performant materials for fashion and sportswear brands, organized in Portland, USA in partnership with the leader in footwear for sport, the American Events' THE MATERIAL SHOW.

**Made in France** – (March in Paris) – The show which highlights all the French fashion industry regions and their know-hows.

## The strengths of Première Vision Fabrics

- **The leading international event** for the entire industry and for all fashion-related businesses, thanks to a specific selection process that takes into account quality, product creativity and company reputation.
- **High-quality visitors** - designers, CEO/executive directors and company managers, head designers/collection directors are among the best-represented positions.
- A coherent, efficient, logical organisation of the offer that corresponds to buyers' needs (groupings by style universe, specialty and product type), **inspirational forums** and **specialised areas** for exhibiting your samples.
- **Targeted events** that are coordinated with the show to highlight exhibitors' excellence and know-how, including the PV Awards, the Hyères Festival and the Smart Creation square.
