Medical Teams International @medicalteams · Mar 10

Are you passionate about being a champion for women around the world? Connect with like-minded people and make a difference in the lives of women impacted by global health issues 🌍

Join our Healthy Women, Healthy World community:

medicalteams.org
Healthy Women, Healthy World | Women Empowerment Programs
Healthy Women, Healthy World is a group within Medical Teams International that advocates, empowers, and provides life-saving care ...

Medical Teams International
@medicalteams

We meet quarterly, in Portland and Seattle (and online!) to learn about the health challenges facing women.

Then we act.

We volunteer, advocate, and build support for programs that provide life-saving care for women.

Join us!
