Medical Teams International @medicalteams · Aug 5

What does it mean to 'Care' & 'Connect'? It means meeting patients where they're at & providing care tailored to each person's needs.

Thank you @KPNorthwest for supporting these clinics, which reach marginalized populations throughout the PNW! Learn more:

Medical Teams International
@medicalteams

Care & Connect clinics are mobile health clinics where patients receive emergency dental services, preventative screenings and connection to follow-up care.

We're so excited to serve our community in the PNW!
