// DETAILS

Cover your assets with the **Arc'teryx Cold WX Hoody LT Gen 2**. This tactical hoody features a GORE WINDSTOPPER® shell with Climashield™ DWR treated fiberfill fiber keep you warm and dry in winter weather. A full-length No Slip Zip™ zipper prevents unintentional opening at the collar while a fully insulated hood protects your head and face from the cold. With sturdy VELCRO® panels with VLite™ retention rings on each bicep pocket, this windproof hoodie is ideal for tactical and military operations.
