iPhone Screenshots

The ability to bolus from your smartphone requires the latest t:slim X2 insulin pump software.

Give yourself the freedom to more easily manage your diabetes with the t:slim X2 insulin pump and t:connect mobile app.

- Freedom to deliver a bolus from your smartphone*
- Freedom to see clearly with a secondary display
- Freedom to be discreet with more places to wear your pump
- Freedom to be in the know with push notifications to your smartphone
- Freedom to connect your wireless data

*Requires a t:slim X2 insulin pump from Tandem Diabetes Care and a compatible smartphone. Additional restrictions apply. For more info, please visit tandemdiabetes.com/mobile-bolus.

What's New

[Version History](#)

- Bolus from your smartphone! With a compatible smartphone + t:slim X2 insulin pump you can now bolus from your smartphone. Check your smartphone compatibility at www.tandemdiabetes.com/mobile-bolus
- New App Guide available directly within the app to assist with your smartphone setup, compatibility and general troubleshooting

Version 2.1.3
