# Inclusion & Diversity Impact Hub

The Inclusion & Diversity Impact Hub is a central resource for members to gain insight on how peers are understanding, measuring and taking action on critical inclusion, belonging and diversity issues in real time. Here, members can participate in meaningful conversations with one another, as well as with advocates and experts in an effort to drive lasting, necessary change.

### Impact Report 2022

In recent years, the chief diversity and inclusion officer (CDIO) role has risen to greater prominence as businesses have placed greater emphasis on issues of racial and social justice. But, do CDIOs carry the clout they need to drive progress on these matters?
