Clients and attorneys are both negatively affected, and causes of action are potentially jeopardized, when medical appointments are missed and prescribed care plans are not adhered to.

We tailor our services to each client to ensure their needs for medical transportation and pharmacy support are met, enabling them to be compliant with their care plan.

This leaves your law firm free to focus on their real job - concentrating on important legal matters.

WORK SMARTER

Our platform allows for quick and easy client enrollment and monitoring while case managers ensure your clients receive white glove treatment. Law firms using Compliant Clients focus better on fighting for justice for their injured clients.

Missed appointments cost healthcare providers **\$150 billion annually**, with no-show rates as high as **30%**.

ARRANGING RELIABLE TRANSPORTATION

ENHANCING PHARMACY COVERAGE

- Easily schedule your clients' upcoming rides.
- We cover the cost of your clients' transportation fares.
- We ensure your clients make it to every medical appointment on time.

We have your client covered by land and air.

WHO DO WE HELP?

WE HELP TOP-TIER LAW FIRMS BY:

-  Understanding the value of attorney time, and the necessity for law firms to remain focused on building cases
-  Allowing them to outsource responsibility for medications and transportation - tasks which legal staff are not ordinarily trained to efficiently handle
-  Attending to these support needs, so you are spared the time, worry, and expense of doing so

WE HELP LAW FIRMS WHO SPECIALIZE IN HANDLING:

-  Motor Vehicle Accidents
-  Commercial Vehicle Accidents
-  Motorcycle Accidents
-  Critical Burns
-  Gunshot Wounds
-  Toxic Gas Exposure
-  Traumatic Brain Injury
-  Combat Injury
-  Tortious Assaults
-  Depression
-  Anxiety

SEE THE DIFFERENCE

WITHOUT COMPLIANT CLIENTS SERVICES

Forced to settle for less than optimal outcome due to patient noncompliance.

Defense has more and better arguments to fight against your client

Admin duties to ensure client adherence to treatment delaying case resolution

Client's treatment noncompliance decreases pain and suffering damages

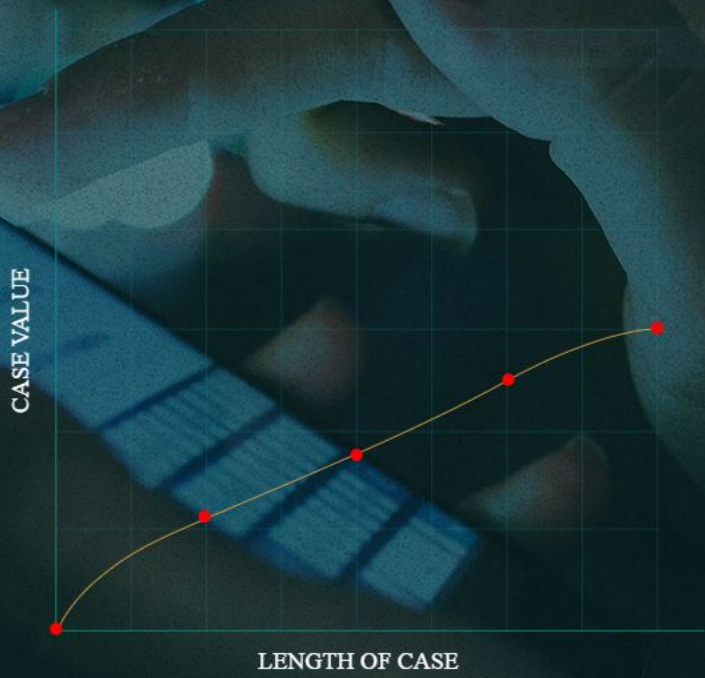

Client misses medical appointments and does not take prescribed medications, creating a record of noncompliance

Client retains a plaintiff attorney

Client involved in car accident
