High Power Oven & Grill Cleaner

Product # 132

DESCRIPTION

A ready-to-use, liquid, heavy duty cleaner to remove heavy grease, fat and baked-on carbon deposits from kitchen equipment such as ovens, stoves, hoods, grills, deep fryers, burners and grates. Not recommended for use on aluminum.

FEATURES AND BENEFITS

FAST-ACTING CLEANER: Quickly penetrates and loosens the toughest baked-on deposits, food and grease.

VERTICAL CLING: Clings on vertical surfaces to increase the contact time and cleaning power.

READY-TO-USE: This product is ready to use, no mixing of aggressive chemicals.

NON-AEROSOL: More economical than aerosols and more friendly to the environment (no VOCs, no harmful vapors).

USAGE

For use in all food preparation areas such as kitchens in restaurants, cafeterias, bakeries, nursing homes, hospitals, schools, cleaning and maintenance services, etc.

DIRECTIONS

Ready to use

WARNING: Allow oven to cool before cleaning.

Squirt or brush on the surface to be cleaned. Let stand for 15 minutes, then wipe and thoroughly rinse off with water. For stubborn spots, a second application may be necessary. Also works on oven racks, grills, broilers and pans.
