**So good, wish it was a cologne**

Purchased this for my husband who's in the military and hasn't been back home to SD in over a year. He loved it! Said if the scent was a cologne, he would wear it.

**I bought this candle as**

I bought this candle as a gift for Father's Day to remind my dad of one of his favorite cities. He's really picky with smells in his home, be he shared it was so refreshing and he has loved having to burn for a fresh, clean air smell.
