Got this for my girlfriend and she is from Nova Scotia but said this still smells like Canada! I think it was her favorite gift so thanks I was worried :)

Great for nostalgia, but sweet

Great for nostalgia, but sweet but I guess that's what you get with maple syrup and pancakes!

Maple Syrup

This candle is quintessential Canada. It looks nice on the counter and our whole house smells like maple syrup and vanilla, living in Arizona it's a nice reminder of home.

**rename, eh?**

Shouldn't your product description change to "Sipping Double Doubles while indulging in a stack of buttery pancakes drowned in maple syrup. Experience the Great White North, eh?" Many of us do speak like that. Considering that I am unable to travel home to Canada, the name of you company , "Homesick" rings true. Sigh. Memories of sipping a double double at home.....
