#### The Standard in a jar

Got this as a gift and I swear it smells like the Standard hotel in Miami... which happens to be my favorite place to stay when I visit. I miss living in Miami every day... this candle is my home away from home.

#### If for a gift make it cute on your own

I bought this as a gift the candle was nice but I'm glad I got it first because the card that I asked to go with it was incorrect looks like they got some one else's message mixed up with mine also the ink was fading like the printer was running out of ink and the tissue paper was ok not what I expected tho

**Miami perfection**

They had this candle burning in my hotel in Miami and I instantly fell in love. Smells like summer - slightly floral with hints of coconut salt and sunscreen. Not too sweet. Just perfect.
