Testimonials

Customers tell about their experiences using the red card

Medical care in the US

I want to thank you and I don't even know where to start, on Friday two weeks ago I was admitted to the hospital in the USA, we contacted the insurance company and from that moment the insurance company did not leave us, after three days I was put into emergency surgery, a report was made to the insurance company and they took care of you all. After discharge The hospital opened ...the card for me to purchase a drug
