**Submit for SAY IT LOUD(er) (wia) Texas**

As a result of the COVID-19 pandemic, the jury will be reviewing entries submitted by email. The jury will be reviewing entries submitted by email.

**ELIGIBLE CATEGORIES**

Eligible categories include: Architecture, Interior Design, Landscape Architecture, and Urban Planning. All entries must be submitted by email.

Eligible categories include: Architecture, Interior Design, Landscape Architecture, and Urban Planning.

- Women (She, Her) (female or transgender) of any ethnicity
- Built / Unbuilt Work

We strongly encourage submissions that reflect a broad and inclusive definition of design excellence. Each entry is judged for the success with which it has met its individual requirements. Submissions must exhibit design achievement that demonstrates exemplary skill and creativity in the resolution and integration of formal, functional, and technical requirements, including ecological stewardship and social responsibility. Submissions should also reflect a strong sense of place, history, and purpose.

Architecture is a profession in which design capability is prized and intellectual property is the most common proof of worth, in terms of talent and experience. Contemporary practice is by its nature collaborative. The more complex the project, or the more prolonged the design and construction process, the more individuals may lay valid claim to credit for some part of the work.

Please comply with the AIA Code of Ethics for credit and attribution below.
